

Post-Results Services 2022

25th August 2022 – release of GCSE results to candidates

Until certificates are issued, results are deemed to be provisional and may be subject to amendment.

Following the issue of results, awarding bodies make post-results services available as outlined in the table below.

Candidates need to be made aware that whilst a mark may go up there is also **possibility for the mark to go down**. Whilst candidates can request one of the services this **must** be supported by a member of teaching staff and **applications can only be made by the Academy**.

Candidates will need to provide written permission before any of these services can be applied for. Consent forms can be found on the Academy website.
