PLANNER

On your first day you'll be given a planner which you must keep with you at all times during that academic year.

Your planner contains useful information as well as a diary which you can use to keep track of your extended learning.

It contains when school holidays and bank holidays are and term times. It also contains lots of useful information which you may need in lessons.

ATTENDANCE

You should always aim to achieve 100% attendance every year.

If you are unable to come to school your parents/carers need to ring school each day that you are absent to let us know that you won't be coming in.

Where possible arrange dentist and doctor's appointments for after 2:30pm. If this isn't possible try to come to school before the appointment and return after.

PUNCTUALITY

Members of SLT and learning managers are on the blue line from 8:10am every morning to welcome you. You should be in the academy for 8:20am, your first lesson starts at 8:25am and you must be in the classroom by then.

We have a breakfast club every morning from 8:10am where you can have free breakfast items such as bagels.

TOP TIPS

- Attend school every day and always attend school and lessons on time.
- Use an alarm clock - set it for a reasonable time.
- Go to bed at a sensible time on school nights.
- Stop working/watching TV/ playing computer games etc. at least half a hour before going to bed.
- Never let any issues you may have affect your attendance - you must talk to someone.
- Turn off your mobile so it will not disturb you during the night.
- Eat well - stay healthy.
- If you have a sniffle, are feeling a bit tired, have got a headache - take the relevant medication and come to school.
- Take part in some form of physical activity after school or at the weekend. Adrenaline produces endorphins which in turn will make you happy and relaxed.

EXTENDED LEARNING

You will be given home learning tasks that will depend on each subject and your learning. All students should aim to complete at least 2-3 pieces of extended learning each week.

Key Stage 3: at least 1.5 hours of extended learning each week

Key Stage 4: at least 2.5 hours of extended learning each week.

Students who complete all their extended learning will be invited to take part in a reward opportunity at the end of each half term.

REWARDS

You will receive Praise and Rewards within the Academy in a number of ways:

- Through your class and form teachers
- Via stickers in your planner
- In Rewards Assemblies
- Achievement Evening
- Attendance Competitions
- Star of the Week
- Pupil of the Month

A message will be sent to parents if you achieve:

- Attending extra-curricular sessions
- Showing grit and determination
- Being supportive of other students
- Showing above expected academic progress
- Producing exemplary extended learning
- By conducting random acts of kindness

PROUD THURSDAY

PROUD Thursday is an opportunity for students to bring classwork that they are really proud of to the atrium during their lunch to show a member of SLT. Students are rewarded with a certificate, voucher and some treats.

LEARNING MANAGERS

If you need to speak to anyone about anything important or something that's worrying you then speak to your class teacher, form tutor or Learning Manager and they will help and support you.

There are also a number of student leaders who can help with any questions you might have including Peer Mentors, Literacy/Numeracy/Sports Leaders.

Student mentors all wear a badge on their blazer so you know who they are and you can speak to them whenever you need to.

HOUSES

The academy is split into four houses, you can tell which house you are in depending on your pin badge- America's (Yellow), Africa (Green), Asia (Red), Europe (Blue). Take pride in your house as there are many house competitions that can become very competitive. You will always have friends and staff you can turn to within your house and every house is very welcoming.

Each house has an icon attached to it and students have recently voted for the following:

Americas

Michelle Obama

Africa

Nelson Mandela

Europe

Stephen Hawking

Asia

Malala Yousafzai

FORMS

You will meet as a form each day. Each form is named after a country in the House continent that your form belongs to. Your form is a mixture of students from different year groups which sounds scary but really isn't. It means that you can talk to people who have been through the same things as you and you will make some friends that maybe you wouldn't expect to have. Within your form you can do many fun activities such as maths challenges and debates. Each form is unique with its form learning notice board showcasing its achievements.

PLEDGES RECORD OF ACHIEVEMENT

Every time you achieve a pledge ensure your teacher signs and dates this record. Show this page to your VMG tutor.

Gain rounded experiences in and out of the academy.

Gain 3 Pledges: Your passport to Graduation.

Gain 7 Pledges: Your passport to the Prom.

Gain all 10 Pledges: Your passport to a rewarding future career.

THE PLEDGES

They are about developing you as a person and allowing you to gain rounded experiences in and out of the academy. In blue are some potential ideas as to how to achieve these pledges.

1. Regular attendance at an 'After Academy' activity or club.

Attend 10+ enrichment activities. Check out your enrichment timetable.

2. Represent the Academy in either a sporting, cultural or academic event.

Be part of a sports team and represent the Academy.
Take part in the Delta Maths Challenge.

3. Take part in a residential experience.

Students will be invited to take part in a range of residential experiences throughout their time at the Academy. Students must have attendance of 97% or above to take part.

4. Attend a national sporting, cultural event or performance at a major venue.

National sporting event e.g. an England football match, cricket, rugby, Olympics, Wimbledon, cycling. Watch a drama, musical or dance performance at major venue.

5. Take part in a major Academy event either on stage, behind the scenes, or in an administrative capacity.

Be part of an Academy play/production.
Perform in front of your year group or whole school.

6. Take part in a formal presentation to an audience.

In lessons and form learning time you will have the opportunity to stand in front of the class and take part in a presentation.

7. Take on a leadership role within your class/form/year group.

Students are encouraged to join the student council/eco-leaders/Christianity group. They could also take a key role in a sporting team.

8. Be actively involved in some form of community experience, within or beyond the Academy.

Take part in a sports team, youth club, drama, music, or dance performance outside the academy. Help with the Year 6 transition.

9. Help plan, organise or participate in a major fundraising event within the Academy or the community.

Help with a bake sale, shoebox campaign or organise an event. Go above and beyond in helping others.

10. Sustainability.

Take an active role in supporting Academy sustainability or take action outside of the Academy. This could be reducing the use of plastics or energy.

FOOD/ DINNER

Our academy's menu is full of tasty and nutritional balanced meals with the catering company encouraging pupils to enjoy a healthy balanced diet. They can also cater for many special dietary requirements. At break time and before school you can enjoy foods such as waffles, bacon sandwiches, sandwiches, toast and many more. There is a hot meal option every lunchtime as well as cold meal options. Students pay for their food using their thumbprint which encourages them to have more independence. An example of the menu is shown below.
